Dear Ms Smith,

Thank you so much for the letter dated March 2008 and the enclosed cheque of £10,000 towards the cost of an Incubator for St Michael's Hospital's Neonatal Intensive Care Unit. We really are so grateful for your support.

Babies born up to 24 weeks premature, or with critical illnesses which may require complex surgery have many life threatening complications. By providing one of the two incubators for the two additional bed spaces that are being provided on the ward, the babies will be able to be kept in a controlled environment which provides the baby with the very best chance of survival through regulating and monitoring aspects which play a key part in aiding the baby's recovery.

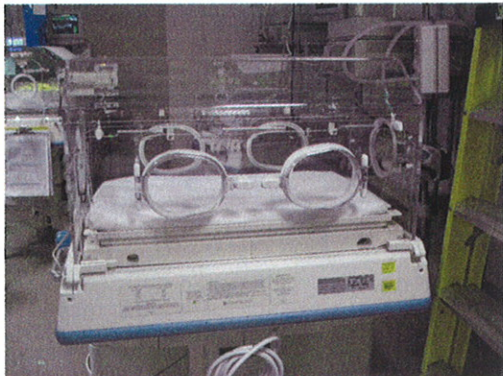

Image of an Incubator similar to the one we will be able to fund with Echo Trust's donation.

We are currently arranging the publicity with Leigh Strathearn and Ian King; I will send a copy of all publicity to your attention.

Once again, thank you very much for your continued support of The Grand Appeal. Please pass on our thanks and appreciation to the Trustees of the Echo Trust for their very kind support.

With very best wishes.

Yours sincerely,

Ria Warren
