Dear Maxine

**Donation from the Echo Trust 2007/2008**

Thank you for your letter dated March 2008, enclosing the Trust's cheque for £2,768.00; please accept this letter as our formal receipt. I confirm this grant will be put towards the purchase of a tandem rally bike and sensory equipment for three visually impaired children.

I believe my colleague Tracy Wightman, is presently liaising with Zolly Branch to arrange publicity.

Please pass on our sincere thanks and that of the children, to the employees of Luminar Leisure Limited for their wonderful support, it is very much appreciated.

With kindly regards.

Yours sincerely
